

Iron League of Chicago **SAFETY PROGRAM**

WHAT: The ILOC Safety Program is a program sponsored by the Architectural Iron Workers Industry Advancement Fund that provides members with the latest safety guidelines in the construction industry.

WHO: Contractor and Associate members that currently contribute to the A.I.I. Advancement Fund are eligible to participate. ILOC has partnered with *Vista Safety Consulting* to provide safety consulting services. There is no cost to ILOC members.

SCOPE: The ILOC Safety Program consists of the following:

- Quarterly Health & Safety Webinars – provided at no cost to ILOC members
- Toolbox Talks (provided electronically) – provided at no cost to ILOC members
- Phone/Email Consultation Support – provided at no cost to ILOC members
- General Safety Consulting Services (provided at no cost to ILOC members; capped at 10 hours per member per calendar year). The services are comprehensive and may include, but are not limited to:
 - o Baseline Health & Safety Evaluations (i.e., mock OSHA audits)
 - o Jobsite and/or Shop Safety Evaluations
 - o OSHA Investigation/Citation Assistance
 - o Health & Safety Training
 - o Health & Safety Program Review/Update, and/or Development
 - o Site-Specific Health & Safety Program (HASP) Development
 - o Foreman/Superintendent Training
 - o OSHA Recordkeeping Assistance
 - o Insurance Carrier Loss Control Advocacy
- For safety consulting needs in excess of 10 hours per member per year, Vista Safety Consulting offers a discounted rate of \$170/hour to ILOC members.

APPLY: Contact the ILOC Office to notify us of your request. A team member of Vista Consulting Services will follow up with you.

If you have any questions, please contact the ILOC Office.
